Below the tabs, there is a message: '我目前只有使用LINE Pay綁定信用卡及LINE POINTS收款服務' (I currently only use LINE Pay for credit card binding and LINE POINTS payment services). Below this message are two bullet points: '• 我想確認信用卡及LINE POINTS的帳款資訊' (I want to confirm credit card and LINE POINTS account information) and '• 我要登入Agency ID或是Group ID' (I want to log in with Agency ID or Group ID). Below the bullet points is a text input field labeled '商店ID' (Store ID). Below the input field is a large grey button labeled '登入' (Login). Below the button are two links: '忘記商店ID' (Forgot Store ID) and '重設密碼' (Reset Password). At the bottom, there is a message: '如果您是管理者，請使用LINE帳號登入' (If you are a manager, please use your LINE account to log in). Below this message is a green link: '以LINE帳號登入 >' (Log in with LINE account >). There are two blue callout boxes with white text. The first callout box, on the left, points to the '以商店ID登入' tab and contains the text '以商店 ID 登入'.
